

## EU Sustainable Energy Week and EUSEW Awards

---

During the **EU Sustainable Energy Week (EUSEW)**, five of the year's most outstanding projects will be named winners of the **EU Sustainable Energy Awards**, also known as the **EUSEW Awards**.

**How are you shaping Europe's energy future?** Submit your application in one of the following categories and show how you are helping to meet the [EU's climate and energy goals](#):

### Engagement

For activities that inspire and motivate citizens to make their energy habits more sustainable

### Leadership

For activities that are contributing to the long-term objectives of the EU, whilst providing significant socio-economic benefits

### Innovation

For EU-funded activities that demonstrate the sustainable energy transition in original and innovative ways

### Youth

For activities carried out by, or targeting, people under 30

You can [apply online](#) until **4 February 2019**.

**Should you take part?** Most definitely. As one of the top 12 shortlisted projects, you will be invited to the Awards ceremony in Brussels during the [EUSEW Policy Conference](#) and have the chance to compete for not one, but two Awards. On top of winning a category Award, the coveted Citizens' Award will be presented to the project that wins the EU-wide public vote.

For more inspiration, take a look at last year's winners: [Wisegrid](#), [Bio.Energy.Parc.Saerbeck](#), [Peace Alps](#) and [Czech Sustainable Houses](#).

**Need more information?** The [guidelines](#) are your one-stop shop to the EUSEW Awards, eligibility, evaluation criteria and the application process.

**What's more?** If you are organising a sustainable energy event in your region in May and June 2019, sign up as an [Energy Day of the EU Sustainable Energy Week](#). Benefit from a mapped network of local events – call opens in January 2019. **More calls just a click away:** [Policy Conference](#) sessions (now open until 28 January 2019), [Networking Village](#) activities (will open January 2019).
