

The EuroPCom Market Place

**An interactive opportunity for participants to bring in their projects and ideas,
to exchange experience and best practices with other participants
and to learn from each other.**

Market Place

Interested in sharing and discussing your creative and innovative communication project with other communication's experts?

Want to raise awareness of a new project or to meet potential partners?

Send us your proposal to take part in our newly created Market Place! Projects will be set up in three camps:

The **Election camp** will group projects related to the European elections.

The **Citizens' camp** will present projects fostering local and regional communication and engagement at citizens' level.

The **Digital camp** will showcase ideas and projects in the field of digital communication, in particular apps and online tools.
