##### 2. Purpose and description of the personal data processing

Purpose(s) of the personal data processing	The project's purpose is to improve the quality of the Belgian employment statistics by incorporating international employment into the available administrative data.
Categories of persons whose personal data are processed	Active CoR statutory staff
Categories of personal data processed	Data are pseudonymised, but contain: nationality, gender, age group, residential and employments zip codes.
Recipients of the personal data	The data are only transmitted to the relevant service within the BISA.
Transfers of personal data to a third country or an international organization	No.
Retention period of the personal data	For the time necessary to fulfil the purpose of processing.
General description of security measures, where possible	The transmission of personal data is made through a secure server to which only the contact points are granted access. The data is then stored on a secure server protected by restricted

	access. Only the authorised persons are allowed to access the data.
Data protection notice	Published internally
