Engagement in the Covenant of Mayors for climate & energy

A first-of-its-kind bottom-up approach to energy and climate action

The Covenant of Mayors for Climate & Energy is an initiative bringing together thousands of local governments that want to secure a better future for their citizens. By joining the initiative, they voluntarily commit to implementing EU climate and energy objectives.

Supported by the European Commission, the Covenant of Mayors has been active in Europe since 2008.
