DPO contact details	data.protection@cor.europa.eu
Processor(s)	British Institute of International and Comparative Law, Charles Clore House, 17, Russel Square, London, United Kingdom
Data processing agreement	Available internally

2. Purpose and description of the personal data processing

Purpose(s) of the personal data processing	Personal data will be collected from the persons participating to the online EU survey and the interviews. In addition, the established report on 'Attracting Global Skills and Talents to EU's cities and regions', based on the collected data, may include personal data if consent has been provided to refer to concrete examples. This report will feed into any CoR's consultative work on migration and integration policies, the CoR's reflection on the proposals of the European Commission in this area, as well as possibly the CoR's 2024 Report on the State of Regions and Cities.
Categories of persons whose personal data are processed	Respondents to the survey questionnaire.
Categories of personal data processed	First name, last name, email address, function/position in the organisation.
Recipients of the personal data	European Committee of the Regions (CoR) Directorate for Legislative Work I – Unit B3 (CIVEX commission), British Institute of International and Comparative Law.
Transfers of personal data to a third country or an international organization	The personal data are transferred to United Kingdom by the processor based in United Kingdom, who ensures the same level of personal data protection pursuant to the Commission implementing

	Decision (EU)2021/1772 of 28 June 2021 pursuant to Regulation (EU) 2016/679 of the European Parliament and of the Council on the adequate protection of personal data by the United Kingdom.
Retention period of the personal data	Maximum one year after the delivery of the final report, except for personal data included in the established report on 'Attracting Global Skills and Talents to EU's cities and regions' if consent has been provided to refer to concrete examples.
General description of security measures, where possible	Data are kept in EU Survey and in shared drives with limited access to the recipients of the data.
